Cloud Dragon can roar to victory for Hugo Palmer

b) Harry Fry and Noel Fehily boast a 41 per cent strike-rate when they team up at Exeter. Their best chance of a winner lies with Space Oddity in the 1.00 who remains well treated off 118.

>> Hugo Palmer has a 14 per cent strike-rate with juvenile newcomers and is three from six with such runners at Newcastle. The booking of Josephine Gordon, who has a good record herself, for the debut of Cloud Dragon in the 12.50 is also a positive.

>> Long John ran out an easy winner of Exeter's 2.35 12 months ago. The nine-year-old was second last month on his reappearance and races off last year's winning mark.

Martyn Meade is three from eight when fitting first-time blinkers (38 per cent). Consulting has proved frustrating but the aid may make the difference in the 3.30 at Newcastle.
