SIGNPOST SWEETSPOTS

Volpone Jelois ready to go one better for Nicholls

Paul Nicholls and Sam Twiston-Davies have a 38 per cent strike-rate when combining at Taunton. They team up with Volpone Jelois (4.10), who was second over course and distance last month and improvement is expected.

David Simcock and Tom Eaves have a 23 per cent strike-rate when teaming up at Newcastle. The duo have a good chance with Ms Gillard (4.20), who is still a maiden after eight starts but finished runner-up twice last month and should at least make the frame again.

Still Believing is 3-13 at Ludlow (4.35) and has been fairly consistent over fences this season. She struggled on her return to hurdling last time but the step up in distance should suit and she shouldn't be discounted.

Watersmeet (7.25 Chelmsford) is a course winner and effective on the all-weather. He is open to further improvement for this step up to two miles after winning well over a mile and a half at Lingfield last time.
